Our Divisions

1. BIMA Clearing & Forwarding Ltd

BIMA Clearing & Forwarding Ltd is our customs clearance and regulatory compliance arm. With Authorized Economic Operator (AEO) status from the Kenya Revenue Authority (KRA), BIMA ensures swift, compliant, and cost-effective clearance of imports and exports. Our services include securing permits and licenses, handling duty exemptions, preparing accurate declarations, and ensuring transparent billing.

2. M&S Logistics

M&S Logistics is the backbone of our freight forwarding, warehousing, and project logistics operations. Leveraging multimodal transport—air, sea, and road—we provide efficient freight forwarding services across global markets. Our strategically located warehouses support both bonded and non-bonded storage, inventory management, cold chain solutions, and distribution. In addition, M&S Logistics specializes in managing project cargo for construction, energy, and donor-funded projects, ensuring seamless delivery of heavy lifts, out-of-gauge cargo, and specialized shipments.

3. M&S Courier

M&S Courier provides fast, reliable last-mile delivery services tailored to embassies, corporates, SMEs, and individuals. Our courier solutions are designed for sensitive, urgent, and high-value consignments, offering end-to-end tracking and time-definite deliveries. We serve diplomatic missions, NGOs, and healthcare facilities with secure, compliant, and customer-focused express logistics.
